Description of ISOT

The Islamic Society of Tracy (ISOT) is a federally registered non-profit organization under Section 501 (C) (3) Internal Revenue Code. Located in the City of Tracy, it is an independent organization and does not have any affiliation or association with any other political or non-political organizations, parties, institutes, or establishments.

The ISOT has a board of directors, which consists of 13 members. The board members are elected every two years by members of this organization. The board of directors manages, organizes, and conducts day-to-day activities of the masjid and its Islamic school.

Friday Prayers as well as five daily prayers are performed at masjid in congregations. These gatherings give our community members a chance to meet with each other and exchange ideas on how to promote, maintain, and preserve our shared Islamic beliefs, attitudes, values, tradition, and heritage which characterize us.

The ISOT offers classes in teaching our members and their children the Holy Quran, Fiqh, Language, history, and Islamic studies. We have also Friday Night Family programs which bring Muslim families closer in this area. We invite excellent speakers to discuss selected Islamic subjects in detail.

The ISOT welcomes all Muslims of this area, regardless of their ethnic background, color, or nationalities, to participate in the day-to-day services and activities of the Masjid.

Challenges of ISOT

Our Muslim community grew very fast since the establishment of ISOT in February of 2000. The number of Muslim in this area increased to about 4,000 in 2016 which makes about 5% of the population of the city of Tracy. The number of our students increased from about 20 to 150.

The existing masjid can no longer accommodate all people who come for prayers on Fridays and for Eid prayers. We need to expand our masjid and for doing so, we need the help of our Muslim brothers and sisters.

The respected members of the ISOT as well as other Muslim brothers and sisters from outside of the Tracy area helped us in the construction of the building and parking lot. Now, it is our moral obligation, responsibility, and duty of all of us to participate in the expansion of this masjid so we can accommodate people who come for prayers.

The ISOT is in need of your generosity and support in order to achieve its goals in continuing serving the Muslim community in Tracy and surrounding areas.

Your help is much needed and appreciated. You will receive Allah's blessings, rewards, and deep down satisfaction by participating and helping such a worthy and genuine cause. May Allah (SWT) reward you for your good deeds and bless you in this life and hereafter, where nothing will count except what you have prepared for that day.
